The diagram illustrates the layout of the Uffizi Courtyard. It features a central horizontal corridor labeled "UFFIZI COURTYARD". Above this corridor is the "EASTERN CORRIDOR", and below it is the "WESTERN CORRIDOR". A yellow circle is positioned in the center of the courtyard area, between the two corridors. A dashed red line runs vertically through the center of the courtyard, passing through the yellow circle. On the left side of the courtyard, there is a small area labeled "WC" with a wheelchair icon. On the right side, there is a small area labeled "STAIRS".

The diagram shows a plan view of the Uffizi Courtyard. It features two main corridors: the 'EASTERN CORRIDOR' at the top and the 'WESTERN CORRIDOR' at the bottom. Between them is the 'UFFIZI COURTYARD'. A central yellow circle is positioned in the courtyard, with a dashed red line extending from it down to a 'TOILET' area. A wheelchair icon is located near the toilet area. Arrows indicate movement: a right-pointing arrow at the top and a left-pointing arrow at the bottom.

A diagram showing a network topology. It features a grid of nodes represented by yellow circles. Some nodes are highlighted in orange. The nodes are labeled with identifiers: C, D2, D4, D5, D8, D9, D3, and D1. There are also icons for a person, a wheelchair, and a plus sign, suggesting a focus on accessibility or specific user types. The background is divided into colored regions: green, purple, and grey.

A diagram illustrating a network topology. It features a series of yellow circular nodes connected by lines. Some nodes are highlighted in orange. Below the nodes, there are labels for specific nodes: D1, D2, D4, D5, D8, D9, and D10. At the bottom, there are icons representing a person, a wheelchair, and a person with a cane, indicating accessibility features.
